

# **DDH DANCE ACADEMY DANCE TROUPE COMMITMENT FORM**

The DDH Dance Troupe is a **jazz based performance team** that was developed for dancers who desire to perform more often and compete in dance competitions. Members of our Dance Troupe also perform at local events and have the opportunity to attend professional dance workshops to expand their technique and style. Please keep in mind that being a part of a dance team requires the same, if not more of a commitment as a sport in school would be. We rely on the participation of all Troupe members. All the stated requirements/commitments should be carefully considered and discussed by both the dancer and parents before auditioning for a position.

Audition results will be posted on the website & at the studio a few days after try-out date. You will not receive a phone call or letter with audition results.

## **Requirements/Expectations:**

- ✓ **All** dancers must attend an audition for a position on the DDH Dance Troupe. Keep in mind that even if you have been on troupe before it does not necessarily mean you are guaranteed a spot. Judges will critique **technique and ability** as well as **performance** quality. Dancers must have had at least one year of dance at DDH to audition. It will be at the director's discretion to allow any students transferring from another studio. It is helpful that transfer students have a letter of recommendation from their previous studio owner and/or have proof of previous competition experience.
- ✓ **IN ADDITION** to the audition score the dancer's technique, attitude, previous attendance record & troupe event participation, health, teamwork skills, age, skill & ability level, concentration and maturity are major factors in placement on the Dance Troupe. Dancers are not placed by what grade they are in school- for example NO high school senior will be placed in Sr. Trp. 3 just because they are a senior in high school. Many other factors are considered when determining placement of dancers.
- ✓ Unfortunately some things happen that are out of our control when it comes to sickness and or injuries however it is another factor considered as to the amount of classes missed due to injury or sickness during the previous dance season.
- ✓ Dancers must be a minimum of 9 years old by September 2019 and may continue to try out until age 19. (Dancers that are 8.5 years old and have been recommended by an instructor may also tryout).
- ✓ All dancers who are placed on the Dance Troupe **must also take at least one other additional full season dance class at DDH**. Please note that 1/2 year classes do not count as your additional class requirement. **Ballet and Jazz are highly recommended**.
- ✓ **We encourage and highly recommend all Troupe members to take the technique classes offered at DDH. Technique is a big aspect of what dancers are judged on in competitions.**
- ✓ Dancers must maintain excellent grades as determined by their parents to remain in the Dance Troupe.
- ✓ Any inappropriate **social media posts** will result in the dancer being dismissed from dance crew and or troupe. Also, please be respectful and considerate of choreography rights. Any video-taping or filming of choreography will need to be okayed with the choreographer/instructor. **No posting of choreography without permission.**

## **Attendance:**

- ✓ The DDH Dance Troupe requires a higher level of commitment from dancers, parents and staff. It is necessary to insist on good attendance because dancers will be learning material at a faster pace. Dancers may be asked to have mandatory additional practices, especially at times just prior to a competition or special event in which they will participate. DDH does offer a certain amount of additional practices and rehearsals as a benefit to the dancers and does not at this time charge additional fees. However, a small additional rehearsal fee will be necessary, if the allowed **free** complementary extra practice time exceeds what is allowed for its DDH 2019 -20 dance budget.
- ✓ Dancers must be in attendance for ALL practices in the weeks prior to competitions and special events. We may choose to not allow a dancer to participate in such events if they have excessive absences (with no refund of any fees).
- ✓ Dancers must be on time or early for classes and should commit time to practicing routines and improving flexibility at home.

## **Parent's financial commitments:**

- ✓ The fee is for one full term(Sept-May) of Dance Troupe and is **non-refundable** unless due to injury or serious illness, a dancer is unable to complete the dance season. Should a serious injury or illness arise, DDH must receive a letter from a parent or guardian requesting the need to withdraw from Troupe, otherwise full tuition will still be due.
- ✓ There will be **2** costume deposits due for each Troupe dancer as they learn and perform two separate routines. All costume fees are due the end of October & are **non-refundable after Nov. 15**. Late payments will be assessed a late fee.
- ✓ Competition participation is a requirement. There will be a minimum of 1-2 competitions per dance year. Parents are responsible for all fees involved, and any costs of transportation, lodging, and food. All classes that Troupe members are registered for (tap, ballet, etc) will be considered for competition at the teacher's discretion. We will inform parents which routines will be attending competition.
- ✓ Competition fees are non-refundable for any reason unless it is due to serious injury or serious illness. Should a serious injury or illness arise, DDH must receive a letter from a parent or guardian requesting the need to withdraw from Troupe, otherwise full tuition will still be due.
- ✓ Additional costs include: makeup, special hair requirements, props, specific tights and shoe expenses. We work hard to keep these costs as low as possible.
